

GUEST ROOMS

Extra disinfection of high touch areas. Decorative pillows and bed runners removed. Upon request, room attendants will not enter your room and additional amenities required during your stay can be delivered and placed outside your door to maintain social distancing.

SOCIAL DISTANCING

Physical distancing of 1.5m is practiced and encouraged by our staff and reminded around the property through increased signage. Physical distancing floor markers have been placed in reception and maximum capacity signage is posted in shared spaces.

INCREASED CLEANING

Increased cleaning frequency and sanitisation of public areas, elevators, guest rooms, restaurant and high touched surfaces.

STAFF TRAINING

Enhanced Team Member safety, training, protocols and access to personal protective equipment if required.

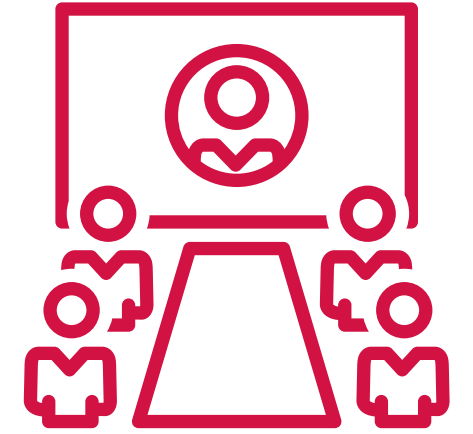

PPE & HAND SANITISER

Guest accessible hand sanitiser, located in reception, Va Bene restaurant and meeting rooms. Disposable gloves and facemasks are available for purchase

RESTAURANT

Va Bene adheres to guidelines, outlined by the Queensland Government, in all areas, including capacity and social distancing measures. High touch surfaces and menus are regularly sanitized. Contact tracing registry forms are in place and completed by each patron.

MEETINGS

Queensland Government guidelines are followed in all areas, including capacity and social distancing. Facilitators are provided with checklists and additional information prior to ensure safety. All attendees are to complete the contact tracing registry form.
